The community of Albert Street PS Moe encourages everyone to dare to dream and reach their potential in supportive, caring environments. Together we recognise and celebrate our success.

We value Partnership, Respect, Optimism and Pride.

**Student of the Week**

Ella Coulter for striving to produce her best work always. Ella often extends her learning and does that little bit extra to challenge herself.

Talia Cuthbertson for always being willing to help out in the classroom.

Callum Ross for demonstrating positive behaviour all week.

Amber—Rose Sanders for working well with others in Maths games and helping others succeed and win. Well done!

**RESPECT AWARDS**

Bailey Wilson for always showing appreciation and always being courteous.

Connor Jones for being cooperative and responsible in class and for always listening to others.—Mr Cruickshank

Haydn Edwards for the respect he always shows to other students, teachers and himself.

Alicia Allen for consistently regarding the feelings and rights of others without looking for a reward in return. Alicia does this with a positive and uplifting attitude.

Clinton Wadley for always being respectful to his teachers and classmates.

Steven Teng for always being respectful towards his work.

Bella Taylor for being polite and using her manners to teachers, parents and visitors.

Jack May for always giving a happy “hello” and holding the door open.

Jonathon Wadley for always respecting our classroom by keeping it clean. For always helping others and respecting our rules.
From the Principal,

This is our last newsletter for the term. I would like to take this opportunity to thank our staff for their dedication towards supporting all our students to grow academically, socially and emotionally. Mid year reports and parent teacher interviews would have provided you with a good understanding as to what your child (ren) has achieved and areas that will be further focussed upon next semester. We value your partnership to help your child to grow during the holidays, please take the time to encourage reading, writing and mathematical activities. This can be achieved through story times, cooking, card games, board games, shopping and such like. Remember your child’s teacher has listed ideas in reports.

Thank you to those parents/guardians who attended interviews on Tuesday and today. Also for those who respectfully contacted the school as they could not keep the appointment, another will be organised for you. Joe Black looks forward to speaking with 5/6 parents early next term.

State School Spectacular Choir Fundraiser
On July 2nd our MPR will become a polling booth. We are using this opportunity to raise money for our choir students by selling food and having a raffle throughout this day. Please encourage your family and friends to vote at our school and purchase food while waiting in line.

School Council
A very important discussion took place at this meeting this week, focussing on formulating a new policy to maintain a calm and caring learning environment and the behaviours of students, staff and parents that will support this. The council will continue work on this document at the next meeting.

Community Garden Meeting
Some staff and parents met this week to planning gardening activities for term 3. It was also announced at the meeting that we were fortunate to access a $1000 grant from Aldi/Bernados to build our outdoor mud pizza oven. Thanks for parent Adam Sosnowski who will assist us to build a dragon shaped oven. We are looking for ideas from students as to what the oven may look like. More details about this will be announced next term.

Disco Tonight!
There is still an opportunity for students to attend the disco tonight, $10 entry can be paid at the door. For those P-6 students who have purchased a ticket already we look forward to seeing you at 6:00pm. Thanks to Rik Shaw for providing dance music.

No other food to be brought to the disco please.

Pupil Free Day
Please note that on Friday 15th July staff will be working with Paul Spence and Craig Harper for a professional learning day. Students are not required on this day.

Last Day of Term
A kind reminder that students will be dismissed at 2:00pm on Friday 24th June. We appreciate a prompt pick up on that day. Bus students will be picked up at 2:15pm.

Art Smocks
In Term 3 we will be doing some painting in the Art Room. In order for students to keep their uniforms clean we suggest bringing Art Smocks to school. Art Smocks can be stored at school so they are on hand for lessons that involve painting and other messy activities. An old large T-shirt or button up shirt will make a great Art Smock.

SCHOOL RELIEF FUND
The total for this week was $2.35. Congratulations to Prep Browne with a total of $0.65.

Monique Osborn

Uniform Sale 3-4pm Thursday 23rd.
We will be holding a uniform sale in the foyer near the office during the last week of school. Please come along as there will be many bargains to be had including tracksuit pants, long sleeve polos, girls bootleg pants, adult size jumpers and polos. We also have a range of green tracksuit pants and shorts, although these are no longer accepted as uniform, we have lots to get rid of at an extremely cheap price!
Forest Edge Camp 13th—16th September 2016 (revisited)

Thank you to those families who have returned the last camp notice. This was only sent to families with money still owing on the camp. The total cost of the camp is $270. If you have not yet returned this form, please do so as soon as possible. **The final camp payment is to be paid by 22nd July.**

**Disco and Polling Day Volunteers (revisited)**

*If you are able to help with our school disco night (Thursday 23rd June), please let Suzanne or the office know what time you are available. If you are able to volunteer for the Polling Day (Saturday 2nd July), please fill out the form at the back of the newsletter. Thank you to all of our volunteers for your ongoing support.*

Save the date!

An aspect of our Camping Policy is to prepare junior students for possible camping experiences in the Middle and Senior units. Therefore we are currently organising “camp activities” for the Junior Unit and for those Middle and Senior students who are not attending camp. This will take place on Thursday 15th of September and Friday 16th of September 2016. Please mark these dates on your calendar.

We have booked a special incursion "Space Lab" for the students to have an authentic experience learning about our solar system.

A brief note has been sent home with your child today outlining the camping program and sleepover: Costing for the Year 2 students including sleepover, 3 meals, craft, cooking and Space incursion will be: $30.00 for Year Prep, One and for those students who are not attending Middle and Senior camp the cost will be: $17.00. This includes craft, cooking and Space incursion activities.

Renee Anderson worked with 3/4 Thomas this week making Origami Cranes. It wasn’t easy!!

Fundraising Assistance Request

Polling Day Saturday 2nd July

If you can assist on this day during the school holidays please complete the form below.

Please note we also welcome our years 3-6 students to assist WITH their parent or grandparent etc.

Please write names of volunteers in the time you are available.

I am available to help out and I understand that if my child comes to help out I am responsible for him/her.
