**Appreciated:** Margaret Wilkinson and Johnny Washa from the Moe Lions Club were given a big thank you from Albert Street Primary School captains Lilly, Makayla (front) and Connie.

# Albert Street share Book Brekky

ALBERT Street Primary School, Moe, held a special breakfast last Thursday.

A fantastic turn out of students and families were excited to share 'Book Brekky' together. The COVID-safe event was held at the school in the undercover area and everyone was able to enjoy the delicious food provided by Albert Street staff including French toast, yoghurt and fruit cups, scones, slices, muffins and more.

The Moe Lions Club had their 'Books4Kids' book stand at the Book Brekky, with hundreds of free books and posters that students could take home and enjoy. The Books4Kids program is a joint initiative of the Lions Club of Moe and the free children's book charity 123Read2Me.

It was established in 2018 and

**Reading lights:** Grade 6 students Connie, Lilly, Abbie and Kiarna-Lee as well as Grade 5 student Aurorah were very pleased with their books.

children of Latrobe Valley and its surrounds.

children's books to Latrobe Valley based Primary and Preschools. The program is highly regarded in the

and provides a fantastic service to students and their families.

Rob Sharrock from the Lions Club liaised with Amy Kingwill, the school's library technician for the Book Brekky event.

The students at Albert Street had a great time selecting books – there was lots of smiling faces and sharing of stories together.

Popular books by Anh Do, Andy Griffiths, Morris Gleitzman, and David Walliams were quickly snapped up by excited students as well as Diary of a Wimpy Kid, Minecraft, Mr. Men, and Disney books.

Students that were unable to attend the breakfast were able to select books during class on Thursday. Albert Street Primary School was extremely grateful to the Lions Club of Moe and their
