Meet our New Nurse!

Hi everyone, I'm **Miss Jess**. I am new to Albert St Primary School and my role is **Community Health Nurse in Primary Schools**.

I have been a nurse for about 10 years – mostly working in the hospital system in both Melbourne and regional Victoria. The areas I have worked in include Neonatal, Pediatric and Midwifery settings. This role is very different to where I have worked previously, I am so excited to be doing something different and I am very passionate about health education and promotion for everyone.

In my spare time I love to hang out with my partner (we are getting married very soon!) and our fur babies (we have 2 dogs named Milo and Bear and 2 cats named Edie and Frankie). I enjoy crafting - my favourite craft is crocheting, knitting and cross-stitch, I like gardening in my veggie patch, going to the gym to do yoga classes, I also love to see live music and I love all kinds of music from Taylor Swift to heavy metal.

Brekky Club

Miss Sam and Miss Bek run Brekky Club, Mon-Fri 8:30-8:45.

Toasties, Cereal, Fruit, Milk and Toast are available from the canteen area every day and everyone is welcome!

First Aid Room Makeover

Over the holidays, Miss Sam and Miss Jess worked really hard to give the First Aid Room a "Glow up." Rainbows and calm colours have been an awesome addition to our Wellbeing Hub!

It will be my job at ASPS to:

Help students get access to appointments with GPs and Pediatricians. Work with GPs and Pediatricians to progress the child's follow up care and treatment. Provide health and hygiene education. Offer mental health support. Helping with hearing and vision screening. Providing nutrition advice. Helping children look after their teeth and gums. Coordinate other health professionals (e.g. Continence nurse, dietician, etc.) to visit your child in the school setting if required.

I'm looking forward to being a part of Albert St Primary School and meeting you all!
