Darcy—Always giving an honest effort in all tasks

A Optimism

Abby R—A wonderful start to your time with 1/2M
Bailey—Joining in on all project work in Maths and reading this week
R Violet—Your engagement and enthusiasm for your debate rebuttal
Levi F—Good focus during latitude and longitude task

Pride

D Harry—Your wonderful effort in your story writing
Mason—Your fabulous first draft of your story
Reeves—Your fabulous beginning to a story
S Reeves—His interesting sentence about the Pevan and Sarah Banger performance
Bronson—Improving his shape and size of his handwriting
Nina—being so focused on her learning
Kylie—Helping to keep the school tidy
Riley—Your pride and work ethic towards the quality of your teams debate topic

Environment Awards—Eco Warriors

Karina, Jade, Zhara, Kailie-May, Noah, Sofia, Nicolle V

SLIME IS COMING!

This year, our fundraising team are very excited to be bringing the **SLIME RUN** to Albert Street. Sponsorship forms have gone out and are due back by Nov 25th.

The community of Albert Street PS Moe encourages everyone to dare to dream and reach their potential in supportive, caring environments. Together we recognise and celebrate our success.

We value Partnership, Respect, Optimism and Pride.

Warrawee everyone,

Dr Karl

Years 3 to 6 will be having a live Q and A with Dr Karl. Dr Karl is well known for his wacky bright shirts and enthusiasm around science. Students will have the opportunity to ask him questions (which they are already preparing). Some questions so far are: Is technology going to wipe out the world? Who taught the first teacher? Who was the first person to discover potatoes? Can fish survive in another liquid? Why do cats have 9 lives? Questions are being collated by our school nurse (Imogen) and 15 will be selected to ask during our live session. We can't wait to hear Dr Karl's responses.

Assembly

Well done to the year 3/4s who presented their chameleon and camouflage art work on Monday afternoon. Students spoke about their paintings, models and created a supporting PowerPoint presentation. Karina K, Art Captain introduced the students and their artwork.

Next week the 5/6's will be showcasing their work. All parents and carers are welcome to attend. Please be seated by 2:15pm in the multi-purpose room.

Community Events at School

We continue to be excited that we can hold events on the school grounds. You will have received an invitation yesterday about the wood work and BBQ event on Tuesday 15th November.

Please ensure you have sent your RSVP by **Friday 3pm** for catering and material purposes and to avoid disappointment, as there are limited places.

Rotary Junior Community Award Presentation

Moe Rotary will be hosting the presentation of the Rotary Junior Community Awards to Moe/Newborough students who have participated in this program. This event will take place on the evening of Wednesday 16th November at Albert Street.

Dr Monique Osborn

Ready Set Grow 2023 Prep transition

It's that time of the year again, when we welcome next year's preps into our school for 4 sessions of our "Ready Set Grow" program. This program helps prepare our new preps for life in a school environment. They will meet Albert Street staff, become familiar with their classroom, get to know the school grounds and participate in school activities. Dates for this year's program are:

- Tuesday November 22nd—9:00am to 10:30am
- Tuesday November 29th—9:00am to 10:30am
- Tuesday December 6th—9:00am to 11:30am
- Tuesday December 13th—8:30am to 11:30am

Sessions will be provided for parents as well, details to be advised closer to the time.

First Aid/Sick Bay

Commencing this week, our first aid room has gone digital! Students who require assistance from the first aid room will now be logged into Sentral and parents will be notified through the app. This will eliminate manual recording and notification of incidences and ensure our families are notified at the time of the incident. Of course, any incidences that require further action will be followed up with a phone call.

Slime Fun Run—You're invited!

How exciting that our fundraising team has organized a "Slime" fun run for students. This will take place on Friday the 2nd of December. As in past events, we ask students to wear a white t-shirt and some old shorts or pants and don't forget a hat. Students travelling home by car will need an old towel to sit on. Please come along and join in the fun and if you can spare some time to help set up that would be appreciated.

Wood Work with Jacob—Tuesday 15th November

On Tuesday 15th November between 6:00pm and 7:30pm we are holding a family wood working event. Jacob (5/6 teacher) and Kate (Wellbeing Officer) will be facilitating the event and the project is a bird house. A BBQ will be provided so come along! The cost will be **\$5 per family. There are limited places, so if you would like to join in, please ensure the RSVP on the back of this newsletter is returned by Friday 11th November for catering and materials.**

Albert Street Primary School is a Child Safe Community

At Albert Street we promote diversity and tolerance in a welcoming environment

Library News—Book Swap

The library is holding a book swap event on the 16th of November. The book swap will give students the opportunity to bring unwanted books from home and swap them for another book to read. On Wednesday the 16th of November, students will be invited to the library to choose a new book to take home. The library will be open at recess, lunchtime and after school for the kids to come in and choose their new book/s.

Any leftover books will be donated to Liz Buckingham who is sending them over to a newly opened school in South Africa. Any donations are greatly appreciated.

Resident Artist

It appears as though we have a resident artist among our students. Scarlett produced an amazing night time scene with a blossoming tree in the foreground. Scarlett used paint to create her work and used different types of brush strokes to give her art work more depth. It really looks beautiful and so life like. Well done Scarlett, can't wait to see your next piece of art.

Farewell Izzy!

Izzy has been with us since April this year, almost every Friday morning. Izzy attends Lowanna College's VCAL program and has completed the practical component of the program with our school. Izzy has helped students to develop their gross motor skills; such as balance, hand eye coordination, catching and bouncing skills, and spatial awareness along with social skills, just to name a few. We had a wonderful final session with Izzy and hope that she might voluntarily return to visit with us in the next few weeks.

Digitech!

In Digitech on Tuesday, students were introduced to Sphero. Sphero makes really cool robots and programmable tools which encourages kids to create and invest through coding, science, music and the arts. Mrs Lia showed the students how to control a robot ball using an electronic joystick on an IPAD. The students really enjoyed the session and were excited to show staff what they had achieved.

Gates/Late arrivals/Early Pickups

All gates are locked at 8:45am. If your child is late to school (after 8:45am), or needs to attend an appointment, access will be via the front gate only. At times the gate will be locked for incidents around student safety. Should the gate be locked, please call the office.

Family Pick ups and drop offs

A-G **Yellow Gate**
H-O **Green Gate (Front)**
P-Z **Blue Gate**
