Wednesday 23rd August

Book Week dress up day

Friday 1st September

Fathers Day Stall

Tuesday 5th September

School Concert

Friday 8th September

Gippsland's biggest PJ Day

Thursday 14th September

Footy colours dress up day

CANTEEN DAYS

MONDAY—Lisa

WEDNESDAY—Katherine

FRIDAY—Moe Life Skills

A Partnership

River—always being willing to work with anyone in the class

W Miss Stacey—helping everyone with their learning and helping the classroom
Jakob— helping to clean up all our math resources

A Nate—helping to clean up all our math resources

Respect

R Koby—asking great questions in a polite and respectful way

Optimism

D Kaleb C—always being willing to have a go at something new

S Ryan—being a very focused learner completing his handwriting and word work sheets

Taya—trying your best and producing great work all week, especially during maths

Tyson— your amazing handwriting!

Sadie—Excellent time management all week. Well done!

Pride

Lincoln—amazing presentation at assembly

Braxton—splendid presentation at assembly

Levi F—super work on hexagon division puzzle

Kienan—profound presentation at assembly

Ruby—delightful presentation at assembly

Ethan—awesome presentation at assembly

Shayla—stupendous presentation at assembly

Noah W—taking pride and practicing your letter formation

Book Week dress up parade—Weds 23rd August

This year we are celebrating Book Week between Monday 21st August and Friday 25th August. The theme is "read, grow, inspire." On Wednesday 23rd August we will be having a parade so dress up as your favourite character and bring a book to share. Parents are invited to come along and see all the amazing costumes on display. More details to follow regarding times.

The community of Albert Street PS Moe encourages everyone to dare to dream and reach their potential in supportive, caring environments. Together we recognise and celebrate our success.

We value Partnership, Respect, Optimism and Pride.

Warrawee everyone,

Child Safe

Thankyou to our welfare officer Bek for connecting with the pro-active unit to speak to students about cyber safety. A kind reminder to keep a close eye on your child when playing online games and communicating with others.

Concert Update

Tuesday September 5th 6pm save the date and time for our concert!! Details about purchasing tickets will be made available soon. Students are continuing to make great progress on their class performances and individual roles. Our next task is to organise costumes. A communication will be sent home shortly about costume requirements. We are seeking a group of interested parents who can volunteer an hour or so on Wednesday mornings to assist with labelling and sorting costumes. (no sewing required!) if you are able to help please leave your details at the office.

Concert Poster Competition

Last call for entries! They will need to be handed in at the office by 9am on Monday 14th of August ready for judging. We have awesome Lego prizes for Prep, Years 1/2, Years 3/4, Years 5/6 entries.

Illnesses

Currently there are some dreadful bugs hanging around making staff and students very unwell. If your child is unwell please do not send them to school to avoid an early pick up. Please note that we do our very best to cover classes when staff are away however at time when this is not possible we do need to reallocate students to other classrooms. Thankyou for your support with this matter.

Dr Monique Osborn

Tissues

Winter is fast drawing to a close which means hayfever season as well as our usual colds. We really need tissues and we are hoping we can get some donations of these essential items. Thank you.

Sustainability

The F/1 grade have worked together to build Bug Homes for our insect friends. As part of our class investigation into what Sustainability means. We have been looking at what various living things require to sustain life. We have already looked at plants and what they required to grow and thrive, with a planting session and science experiment to investigate what happens when plants don't get sunshine and water. This week we discovered that insects don't like wintery weather and so we made bug homes to help keep our bug friends warm and cosy.

Cooking with the grade 5/6

During the week some of our year 5 and 6 students had the opportunity to do some cooking with Mrs Gooding. Students had to read their recipe, shop for the ingredients and work together to create some yummy rum balls. They worked together really well and enjoyed the tasty treat

CASEA

The grade six students have been lucky enough to have Caryn and Leanne from CASEA (CYMHS and Schools Early Action) on Monday afternoons working through some social and emotional wellbeing. So far, the kids have worked on some vision boards which promote creativity, self-expression and the ability to create goals and dreams for themselves.

Last week, the focus was on problem solving and strategies for problems they may see every day such as bullying, gossip etc.

Other sessions coming up include looking at brain development and issues, communication and perception, friendships, bullying and social media, leadership and teamwork, and resilience, mindfulness and gratitude.

We are hoping these sessions will provide our grade sixes with some amazing skills and strategies as they begin their transition out of primary school and into secondary school.

Albert Street Primary School is a Child Safe Community

At Albert Street we promote diversity and tolerance in a welcoming environment

3D Shapes 1/2 Douglas

The children of 1/2 Douglas made some amazing 3D shapes using cotton buds and playdough. The students made all sorts of 3D shapes including some designs of their own.

Reminders

Sentral—Absences

Did you know you can notify the school of absences using the parent portal? Please ensure you load the absence or call the school prior to 9:00am if your child is absent. You can also load absences in advance if you have an upcoming event or appointment.

Spare Clothes

On the odd occasion, students do require a change of clothes at school, whether that be a toileting accident or just getting wet out in the yard. To save calls home, we ask that you put a change of clothes in your child's bag along with underwear, socks and a plastic bag.

Hats

Please ensure your child has a hat at school to wear whilst outside. If your child does not have a hat, they can be purchased from the office for \$15.

Gates/Late arrivals/Early Pickups

All gates are locked at 8:45am. If your child is late to school (after 8:45am), or needs to attend an appointment, access will be via the front gate only. At times the gate will be locked for incidents around student safety. Should the gate be locked, please call the office.

Family Pick ups and drop offs

A-G **Yellow Gate**
H-O **Green Gate (Front)**
P-Z **Blue Gate**

Life is Like

We are very excited to announce our 2023 school production of "Life is Like..." to be held at Lowanna College Auditorium on Tuesday 5th of September.

In "Life is Like...", we follow the endearing character of Forrest Gump as he embarks on a heartfelt journey of reminiscing about beloved TV shows from the past and present. The play takes the audience on a heartwarming and nostalgic trip through television history while exploring themes of friendship, memories, and the enduring power of storytelling.

Students are well under way with rehearsals for their class performances as part of the show and are working hard on their dance and musical skills! We look forward to sharing further details about the production in the coming weeks!

A big congratulations to our senior students on their successful audition process and we can't wait to see them all shine in their roles!

LIFE
IS LIKE A
BOX OF
CHOCOLATE
YOU NEVER
KNOW WHAT
YOU'RE
GONNA GET.

Pro-active unit visit

On Thursday Claire and Stephanie from the pro-active unit visited Albert Street students in 5/6 and talked about the importance of cyber safety. They talked about certain situations students may encounter on line.

"Dare to Dream"
