Our Fun Run is fast approaching and we can't wait. Get your sponsors and choose from the many amazing prizes. Sponsorship forms are due back by Wednesday 22nd November.

The community of Albert Street PS Moe encourages everyone to dare to dream and reach their potential in supportive, caring environments. Together we recognise and celebrate our success.

We value Partnership, Respect, Optimism and Pride.

Warrawee Everyone,

Child Safe

Staff are noticing some concerning behaviours that is causing students to be late for school and bringing inappropriate snacks to school.

- It is concerning that parents / carers may not be aware that their child is spending time at the skate park and arriving late for school. If your child is riding to school please check in with them that they are coming directly to school from home.
- A number of students are purchasing sugary drinks, ice creams, lolly pops and chocolate bars from Woolworths and Hungry Jacks prior to school. We ask that you speak to your child about not purchasing these items prior to the start of the school day. Breakfast club is open everyday for your child to make better food choices to enable them to engage with their learning. Please note students will not be permitted to enter the school grounds until sugary drinks, ice creams etc have been consumed. Parents will be notified via the Portal when their child is bringing these items on a regular basis.

Thankyou for partnering with us in this matter.

Student Supplies

Each student has received a letter regarding student supplies for 2024 if you have not received yours please notify the office.

Dr Monique Osborn

Buddies with Miss Sam

In Week Five our buddies raced around Albert Street Primary School competing in our very own Amazing Race. Our grade fives hosted the 15 different challenges, taking lots of photos and videos.

The activities ranged from egg and spoon, charades, blindfolded beading, floor is lava, bottle flip and so much more. Each team had a passport and as they completed tasks, they received stamps. The students didn't know who had won until a short video was played at assembly highlighting the fun had at the race (the video can be watched on the school Facebook page) and then the winners were announced. The plan was to have the winners of the race and another team voted by the Grade 5 students as the team who worked the best together. However, one team demonstrated that working together pays off as they were voted the best teamwork and won the race!

Congratulations to Bailey, Violet, Noah, Olivia and Quinn.

The students each received a certificate, \$10 Kmart Voucher and a small Lego set. Well done to all buddies for the respect and partnership you showed during our Buddies Amazing Race.
