Warrawee everyone,

TERM 3 IS OVER!

What a busy term we have had with some amazing student achievements. Congratulations to our students who participated in the District Athletics representing our school with great pride. See details in this newsletter. We can't forget the incredible concert that was held this term showcasing some quiet achievers in lead roles. Stroll and Roll is now underway and there is a group of dedicated students who have become very active by walking or riding to school. This will continue into Term 4 and we are looking forward to seeing more students participate from the Moe Botanic Gardens. Early next term a timetable will be published of staff members who will accompany students from Moore Street Kinder and the Botanic Gardens.

We hope that you have a relaxing and safe term break, please encourage your child to enjoy the warmer weather in some outside activities. We look forward to seeing you back ready for learning on Monday 6th October.

SOME TERM 4 EVENTS

Please take note of the calendar in this newsletter as we already have quite a number of exciting activities commencing in Week 1.

- Teddy Bear Hospital—This is for the Junior students to bring along their favourite teddy bear or soft toy and participate in some “medical” procedures with Monash Medical students. The purpose of this activity is to help children to be less anxious at hospital or medical appointments. We are pleased that Kinder students from Acorn Acres will also participate.
- Journey of Hope—This is a program for selected Years 3 to 6 students focusing on resilience and wellbeing and will commence on Friday of the first week.
- 54 Reasons Small Talk Playgroup will commence in the Multi Purpose Room on Monday 13th October.

AUSTRALIAN SMILE GROUP

This dental van will be on site from 20th to 24th October. Please note consent forms have already been distributed and will need to be returned by Friday 10th October. If you require any further information please contact Nurse Jess at the school.

THEIRCARE HOLIDAY PROGRAM

We are excited to hear that the Holiday Program once again is almost filled. Thank you to Casie and the TheirCare team who will be providing a range of on and off site activities.

SUNSMART POLICY

In accordance with our SunSmart Policy students are required to wear a bucket hat whilst outside during school hours. For those students without a hat they will be asked to remain in the undercover area during recess and lunch. Please make sure your child has a labelled hat ready for the beginning of Term 4. Bucket hats can be purchased at the office for \$15.

ENROLMENTS FOR 2026

Prep enrolments for next year are now open. If you are aware of any families seeking to enrol at Albert Street please inform them to contact the school. We require finalised enrolments as soon as possible so that we can commence planning for the 2026 year.

Footy Colours & Special Lunch Day

On Friday, our school was filled with team spirit as students and staff dressed proudly in their favourite sports team's colours. Everyone had the chance to parade their colours in the undercover area, with team songs playing to cheer them on. The atmosphere was electric as we celebrated the fun and excitement of the footy season together.

After the parade, students enjoyed a special lunch of pies or sausage rolls, which made the day even more enjoyable. Thank you to everyone who joined in the fun—it was a fantastic way to celebrate footy and community spirit at our school!

Community Pantry

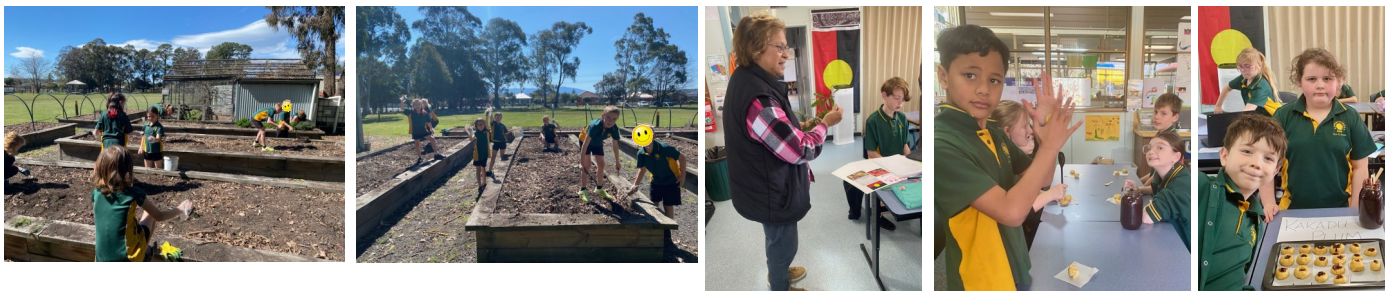

A reminder to all families that we have a Community Pantry that can be accessed by parents. Our pantry items are primarily provided by FoodBank and we welcome families to take what you need! The food items available include cereals, soups, fruit cups, spaghetti, bake beans, tuna, honey, vegemite, milk and bread (in freezer). We also have feminine hygiene items and toothpaste. Just around the corner we usually have fresh fruit such as apples, pears, and oranges.

There are also free books and second-hand uniform for \$3 each.

Kurnai Language and Culture

This term our focus in Kurnai Language and Culture has been on planting and cooking with traditional bush foods. Students have been lucky to enjoy visits from local Kurnai Elder Linda Mullett who has been sharing her knowledge of Bush Tucker, while Ms O'Regan has run cooking classes utilising these ingredients. Thus far, students have made dishes using ingredients such as Old Man Saltbush, Kakadu Plum and Bush Tomato. As part of this unit of work, the 3/4 students have also spent time weeding and preparing the community garden beds to plant some native seeds as the weather improves next Term. We look forward to sharing some more of our delicious produce and cooking with our families in the future.

Morwell Park Primary School Visit

Last week our school Kurnai Leaders, Ethan and Lyncoln, hosted some special guests from Morwell Park Primary School who were interested in learning more about our Yarning Circle and Bush Foods garden and produce as they are preparing to build their own space at their school. Lyncoln and Ethan spoke of the knowledge they have about the purpose of the Yarning Circle and also what they have learned about Native foods this Term. We look forward to partnering with Morwell Park teachers and students in the future as both schools expand this very important aspect of our cultural learning.

Congratulations Nina!

A big congratulations to Nina, who recently played in the **Under 11 Cup Final** with **Newborough Yallourn United Soccer Club**. It was an incredibly exciting match that came down to a penalty shootout, with Nina's team showing great determination and teamwork to secure the win.

We are so proud of Nina for her hard work, sportsmanship and dedication to her team. Well done on being part of such a fantastic achievement!
