### **School Council**

School Council met for the November meeting this week. This was our last meeting for the year and also the last meeting that Al Kurzawa chaired as president. A huge congratulations to Al for his commitment to this role for the past 8 years to oversee the governance of our school. The indicative budget was presented and approved and we celebrated the funds raised at the election BBQ. The BBQ was a great success due to the partnership work of our councilors and some staff.

### **Ready Set Grow**

We've had 2 fabulous sessions for our 2023 preps and their families. We are so proud of how our new students are settling into their routine. There are 2 more Ready Set Grow sessions planned.

### **Statewide Transition day/Going Up Day**

December 13th it all happens! Our year 6's will be spending the day at their respective secondary schools and our students will be placed into their new classes with their 2023 teachers.

### **Year 2 Sleepover**

If you're driving past the school this evening and you see the lights on in the BER, it's because the year 2 students are having their sleepover. The sleepover is part of our camping program to support students to develop skills of independence and resilience in a camp like experience.

### **Colour/Slime Fun Run**

The colour/slime run is this Friday (tomorrow!) the 2nd of December. The event starts at 1:30pm until 3:00pm. We have some very excited students and staff waiting to be bombed with coloured powder, water and slime. Thank goodness it's going to be a warm day. Please remember to put towels in the car at pick up. Family members are invited to "join in", be prepared to be coloured!. Huge thank you to Casie and Mr Burnett for their organization. A final reminder to wear white t-shirts with a singlet underneath, some old shorts/pants and shoes. Don't forget your hat!

## Albert Street on Display

Turn Back Time Café invited Albert Street to use one of their windows to display students work. Jo (Art teacher) has put together an amazing display of students art work completed this year. It's very colourful and includes all types of art such as sculptures, drawings and paintings using different techniques. If you are in George Street, make sure you check out the display. Thank you to Turn Back Time for this opportunity to show off our school and student's work.

## School Council

This Tuesday was our last School Council meeting for 2023. It was a very special meeting as it was Al Kurzawa's last as "El Presidente". Al has been School Council president for the past 8 years as all 4 of his children have progressed through Albert Street and onto secondary education. Al will continue into 2023 when a new president will be appointed and will remain on school council as a community member. We can't thank him enough for all the time, wisdom and dedication shown over the years. We are looking forward to his support and guidance as a community member in the years to come.

Ready, Set, Grow!

Over the past 2 weeks, students enrolled in prep for 2023 have been participating in our Ready, Set, Grow program. Our new preps have enjoyed meeting staff and each other, as well as some school activities and learning about routines. Parents have also been provided with information about school readiness, uniform, some policies and met with our wellbeing team. We are looking forward to a positive start to 2023.
