## Semester 1 Reporting – changes to Numeracy Reporting

Report writing day was held on Friday 6th June. Staff spent the day analysing students assessment records and recording this in the relevant reporting platform. There is a change from this semester, with regards to reporting in Mathematics. We have now transitioned to the **Victorian Curriculum Version 2.0**. This means: the **three separate progression points** previously used (Number & Algebra, Measurement & Geometry, and Statistics & Probability) have been **replaced with a single progression point** that reflects student achievement across **all six strands**: Number, Algebra, Measurement, Space, Statistics and Probability. This will now be reflected upon students' reports when they are finalised and released to families within the last week of term.

## Student Assembly Performers

Well done to Evie, Lara, Tiarah and Empress for their efforts in producing an assembly performance at this week's assembly. Thank you also to Ms. Fraser for her dedication in assisting these students at lunchtimes in the Art Room to make their Truffula tree that accompanied their performance. Assemblies are a time of celebration and announcements with the school community along with an opportunity for students to develop their skills in public speaking and performance. This is a timely reminder that next term is our whole school concert. More information about this exciting performing arts opportunity for our students will be coming shortly.

## Behaviour Expectations – Lining Up!

Staff have recently been completing some professional learning based on the work of Tom Bennett – UK Independent Behaviour Advisor. This learning has also been contributing to our school wide expectations. For the remainder of term we will be focussing on our 'lining up' routine before school, after recess and lunch along with when we attend excursions like swimming. Staff even practiced what this looks like at our whole staff meeting!

Our first day back of Term 3 is a student free day, staff will be completing more learning based on this topic.

During this week's Yarning Circle we designed and created our own clap sticks! Each design was unique to each individual, and we really enjoyed learning about different symbols that have been used in indigenous art.

We were also extremely lucky that our friend Audra baked some scones and with it we got to try Strawberry gum cream (it was delicious!)

## Albert Street PS Reading Challenge 2025

ASPS Reading Challenge for 2025 has begun.

The Challenge runs until 17th September. Each student has been given a booklet to record the books they read. In the space of 2 terms the P-2s are encouraged to read 30 books and the 3-6s 15 books. These include books they read themselves or books that are read to them.

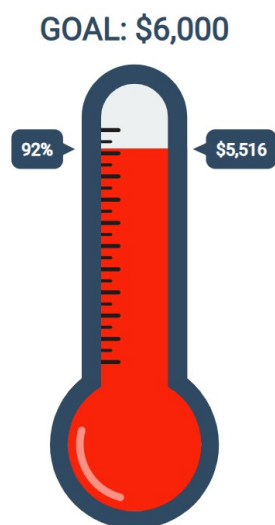

At the end of term 2 prizes will be awarded to the students who have filled up their booklets.

We will also have an in school competition between the classes to see who is reading the most books. Please help encourage our students to pick up a book and read. Reading is fun as well as educational and will help us all to succeed in our future learning. If you have any questions about the Challenge please feel free to ask me.
