National Reconciliation Week

This week students have been involved in classroom activities that focussed on the 2025 theme, Bridging Now to Next. It has been great to hear the different stories and discussions take place regarding students' own connections. The senior school made a great display to celebrate. Take a

look below.

Montana McStay Indigenous Art Workshop

On Tuesday 27th May, a group of students were invited to attend the Montana McStay Art Workshop with Ms. Fraser. The workshop was described as a fantastic opportunity for them to engage in meaningful artmaking using high-quality materials and coaching. All students created an artwork that depicted a story. We can't wait to hear about and see some of the pieces being displayed at the Victorian Teaching and Learning Academy next door.

Important Update: Therapy and Support Sessions Delivered by Third-Party Providers at ASPS We wish to inform our school community that, effective from Friday, 6th May 2025, all therapy and support sessions delivered by third-party providers on school grounds — including both NDIS-funded and non-NDIS-funded services — will be temporarily paused. This decision has been made to ensure full compliance with the Department of Education and Training's policy on the delivery of third-party therapy in schools. The policy outlines clear requirements that must be met before such services can continue, including the provision of detailed therapy information, appropriate consents, and necessary licensing agreements.

The School Council has been consulted and supports this decision. A formal communication has been shared with all impacted families and service providers today. We acknowledge the value these services bring to many students and are working proactively with families and providers to meet the necessary requirements as soon as possible. Our aim is to support a safe, compliant, and well-coordinated return of therapy and support sessions on-site. Thank you for your understanding and continued support.

The policy can be accessed on the Department's Policy and Advisory Library at: www2.education.vic.gov.au/pal/ndis-funded-therapy/policy

Dear parents/carers,

We are lucky enough to have St John's First Aid Schools Program coming to Albert Street on June 12th.

This program teaches primary school students the importance of First Aid and what to do in the event of an emergency in an age

St John Ambulance Australia is committed to promoting the importance of first aid in the community and believes that there is no better place to start than in our schools.

Every child in Australia should have access to vital first aid knowledge and with the First Aid in Schools program this is possible.

We would appreciate a gold coin donation to keep this important program running if you are able to donate.

Albert Street PS Reading Challenge 2025

ASPS Reading Challenge for 2025 has begun.

The Challenge runs until 17th September. Each student has been given a booklet to record the books they read. In the space of 2 terms the P-2s are encouraged to read 30 books and the 3-6s 15 books. These include books they read themselves or books that are read to them.

At the end of term 2 prizes will be awarded to the students who have filled up their booklets.

We will also have an in school competition between the classes to see who is reading the most books. Please help encourage our students to pick up a book and read. Reading is fun as well as educational and will help us all to succeed in our future learning. If you have any questions about the Challenge please feel free to ask me.
