Warrawee Everyone,

School Council News

Our October meeting was held last week and it was an open invitation for parents to attend as observers. Thankyou to Mel who attended and contributed as an observer. Lisa Douglas our instructional coach presented a session on learning approaches in our classrooms. This was an interactive session that enabled our councillors to experience learning strategies. Due to the new EBA and time in lieu allowance for staff it was raised that a sleepover will not be able to take place for Year 2 students this year due to budget constraints. An alternative after school activity will be organised instead.

Student Free Day

Monday 6th November is a student free day. Staff will be engaged in Day 4 of Berry Street training. Students are not required to attend on this day.

Covid Notification

Please note that Covid is still present in our school community. It is important to test our child if they present with flu like symptoms. Unwell students will be sent home. In accordance to Covid procedures.

Head Lice Notification

We have also had an outbreak of Head Lice. Please check your child's hair on a regular basis. As per school policy students with live lice will be sent home.

Mrs Waterhouse

After 13 Years of working initially as a learning assistant, then library technician and finally as administration Officer. Sharon has commenced long service leave and will return during the last weeks of Term prior to retiring. We wish Sharon a relaxing and exciting break.

BUDDIES

Week four of Buddies was celebrated with some spooky activities! Splitting into two groups, we decorated some delicious cookies made by Miss Dee and traced our buddies hand to create spooky monsters and creatures. The cookies were a massive hit, with some students embracing the Halloween theme, while others tested just how many lollies could fit on each cookie!! The buddies are really starting to connect and it's lovely to see them engaging and taking pride in building a connection with their buddy in the yard outside of the scheduled activities. (Miss Sam)

Halloween Colouring competition

We had some lovely entries for our Halloween colouring competition. Thankyou to all the students who visited the wellbeing hub to enter and grab a treat. Ava was our winner with her beautifully coloured pumpkin. Congratulations Ava.

Cadbury Fundraising Thank You

At assembly this week we thanked an amazing family who, year after year, go above and beyond when we have our Cadbury chocolate fundraising event. This year Hannah and her family sold more than 10 boxes of chocolates, a huge effort that is very much appreciated by our fundraising team.

Miss Sam

Miss Sam brought in Chip and Digger, her pet bearded dragons. Chip is 3 months old and Digger is 2 years old.

The students really enjoyed seeing the difference in size and many were surprised to feel the various textures on their bodies. From the rough back, soft spikes to smooth bellies. Some students were even brave enough to feed Digger a meal worm straight from their hand. The students have really embraced meeting the different creatures brought in over the week and many have been askingWhat animal will Miss Sam bring in next??

Helpers Jaymie, Olivia and Mila have been offering their assistance to Mrs Waterhouse and Miss Bek every day for the last couple of weeks, with no task too big or small. The girls were presented with special edition Aussie of the Month badges and received 50 house points each for their wonderful efforts

Day for Daniel

On Friday 27th October our students dressed in red to acknowledge Day for Daniel. We raised \$95 on the day which will be donated to the Daniel Morcombe Foundation.
