Pupil Free Day—Friday 9th June (tomorrow)

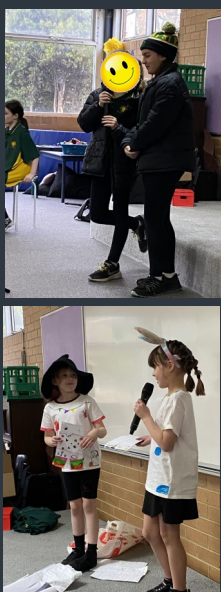

A kind reminder that we have a pupil free day tomorrow, students are not required at school. The purpose of this day is to participate in day 3 of Side by Side training.

Public holiday—Monday 12th June

Please note that this coming Monday is a public holiday. Enjoy the extra long weekend.

Assembly

This week's assembly was absolutely amazing, and for those family members that attended, I'm sure you will agree. Congratulations to Mila and Summer who finally presented their robots item that they have been working on for some weeks. As student voice is gradually growing, students are feeling more confident to use their initiative to engage others. Well done to Ruby and Sade who spoke about their netball club. These students explained how they will run their netball sessions for interested year 3 to 6 students and they are looking forward to organizing some netball games.

Disco! Disco! Disco!

I understand that some of our younger students are a little reluctant to attend the disco without an adult. One supporting adult is more than welcome to attend the disco free of charge. Be prepared to participate in the limbo and the Nutbush.

Enrolment 2024

If you have a child who is eligible for school next year, please note that the Department has set new guidelines for enrolments. You are required to have your enrolment documents completed and submitted by Friday 28th July. Enrolment forms are available at the office or can be downloaded from our website. Please call if you need any assistance with the process.

Working Bee

What a huge success our working bee was on Saturday. Thank you to School Councilors Steve, Janelle, Casie, Lindsay, Leigh, Ann, Steph, Monique, Sharon, Ann-Marie, community members Bjorn, Reilly, Noel Barry, Chelsea, James and Will, for volunteering their time. Special thanks to our School Council president Leigh for organizing the work schedule and to Ann for providing a yummy morning tea and lunch! We certainly made a huge difference to our school grounds making it safer for all of our community.

At Albert Street we promote diversity and tolerance in a welcoming environment

E Scooters—New restrictions

This week, the Victorian Government introduced new laws regarding E Scooters. The fines are quite hefty regarding E Scooter use and apply to everyone (including children). We suggest parents whose children have E Scooters make themselves familiar with the new laws to avoid these fines. To find out more information, please visit vicroads.vic.gov.au or visit our Facebook page for the links.

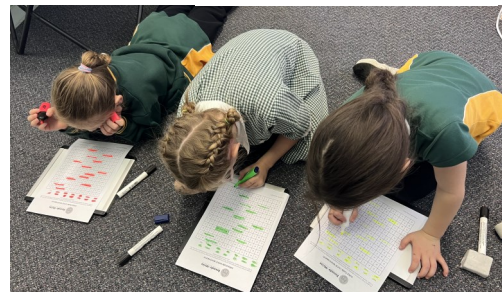

STA (Speech Therapy Assistant) Program

Mrs Sim has been working with Abby R, Ruby J and Nina in STA this week. This week they were given a word search to look for all the words in unit 5. STA provides extra support to students helping them understand sounds in words using the Sounds Write program, and then how to write those sounds when constructing words.

Buddy Reading

It's great to see our buddy reading program in full swing. As mentioned in last week's newsletter, our year 5/6 students are paired with the students in the junior unit to share books to improve reading skills. The program also helps to build relationships between the youngest members of our school community and the senior students. The senior students really enjoy the responsibility of the buddy program.

Reminders

Sentral—Absences

Did you know you can notify the school of absences using the parent portal? Please ensure you load the absence or call the school prior to 9:00am if your child is absent. You can also load absences in advance if you have an upcoming event or appointment.

Spare Clothes

On the odd occasion, students do require a change of clothes at school, whether that be a toileting accident or just getting wet out in the yard. To save calls home, we ask that you put a change of clothes in your child's bag along with underwear, socks and a plastic bag.

Hats

Please ensure your child has a hat at school to wear whilst outside. If your child does not have a hat, they can be purchased from the office for \$15.

Gates/Late arrivals/Early Pickups

All gates are locked at 8:45am. If your child is late to school (after 8:45am), or needs to attend an appointment, access will be via the front gate only. At times the gate will be locked for incidents around student safety. Should the gate be locked, please call the office.

House Points

Students, staff and families have been working really hard to earn points for their house through various activities. Points have been awarded for PROP awards, displaying our values, participating in whole school activities and sporting events, helping with jobs around the school voluntarily and being excellent leaders. It's very pleasing to see students recognising and displaying good behaviours and being rewarded for doing so. House tallies are listed below, wow it's close!
