## Warrawee everyone, School Council

School Council met on Tuesday the 7th June. Junior School Councillors (Burt and Xavier) presented their report on providing feedback to the Lateness Policy and organising the sports equipment in classrooms with Miss Kate. Both Xavier and Burt confidently answered questions and represented the JSC with pride and optimism.

School Councillors were informed of the Harmony Week activities in relation to our Child Safe Policy.

As part of the school review procedures, Councillors were given an opportunity to reflect on the celebrations and improvements that have occurred 2019—2021. It was a valuable exercise with many items and events that were raised as celebrations.

The reviewed Homework policy and Statement of values and Philosophy Policy has been distributed to all Councillors for comment.

Reminder that all parents/carers are welcome to attend a School Council meeting as a participant who cannot vote on items.

Friday 10th June—Student Free Day  
Staff members will be focussing on specific professional learning tasks related to the Annual Implementation Plan 2022.

Monday 13th June—Public Holiday  
Enjoy your very long weekend.

## Art Displays

Students have been doing some wonderful Art Work in Mrs Fraser's art class. The students have been experimenting with colour and patterns and using different materials to create their art. They are truly beautiful creations. The students' work is on display around the school and we invite you to have a look next time you are at the office

### Book Fair is Coming! - Monday 1st August

Kate (our library technician) is very much looking forward to this year's Book Fair. The theme this year is "Paws" for books. Kate will have some exciting activities and some great competitions for the students to enter. Our Book Fair will open on Monday 1st August and will close on Tuesday 9th August. Stay tuned for more information .....

### Latrobe Community Health donates!

We are so very fortunate to have some wonderful partners in our community. This week, Latrobe Community Health donated a pop up library which is located in the foyer outside the office. Children, families and visitors can browse and share the beautiful stories while they wait or visit our school. Pictured is Ahli reading one of the books while she was waiting for mum.

### Sporting Equipment

To make our sporting equipment more easily accessible, Kate (Wellbeing Officer) and Blake (Sports Captain) have been distributing an assortment of age appropriate sporting equipment to each classroom. Children will then be able to use and be responsible for the sporting equipment that belongs to their classroom. Junior School Council will monitor the use and return of the equipment, as well as our sports captains, teaching the students to be responsible for the equipment they borrow.

### Congratulations Steve! - CFA Award winner

In April School council member Steve Cassar (Ruby's dad) was awarded 2 prestigious CFA awards. He received 2020 Firefighter of the Year Award and also received 2021 Captains Award. Moe Fire Brigade held its Presentation Night where Steve received his recognition. On behalf of the Albert Street community we congratulate Steve and thank the CFA for the services they provide to our community. Steve said he was very honoured to receive the awards and was lost for Words. He also said overall it was a great night with all my CFA family.
